PRELICENSING COURSE INSTRUCTIONS

As you begin your pre-licensing education course, you should verify your course registration information by clicking the profile tab on your user dashboard. **Your name must match your government-issued photo ID throughout the licensing process.** If any information is incorrect, please contact us immediately by emailing supporting@xcelsolutions.com or calling 904-999-4923 to update the information.

- Access to instructors and technical assistance is available via the help button located within the course, or by calling our customer support line at 904-999-4923 or by email.
 - For questions related to course content email the instructor- instructor@xcelsolutions.com
 - For technical questions email customer support - support@xcelsolutions.com
 - Response time: Two (2) business days

Course Information:

- The course is available for 30 days. Students have the ability to work at their own pace and complete their course at any time within that 30-day period. Course extensions are available, if needed, at an additional cost.

Course requirements:

- **There is a mandatory seat time requirement. We will track and verify seat time during the course.**
- Reviewing or studying printed materials offline will not count towards credit as we are unable to track your time studying those materials.
- You will be asked to authenticate your identity on a periodic basis throughout the course.
- California regulations require that you remain actively engaged in one hundred percent of the course. You will be prompted to acknowledge your participation during periods of perceived inactivity.
- During the course, you will be required to view the chapter content and answer all chapter review quiz questions to proceed to the next chapter.
- Although you must proceed progressively through the course, you have the ability to go back and review any section/chapter of the course that has been completed at any time except during the final examination.
- All chapters must be completed before accessing the final examination.
- You will not be able to review the course content once the final examination has begun.
- A passing grade of 70% is recommended but not required.

Certificate Information:

- Completion of the course including final exam and satisfying the required study time as outlined above.
- Submit an electronic affidavit certifying that you have (i) been actively engaged in one hundred percent of the course; (ii) completed the required training hours; and (iii) completed all chapter review questions.
- The date you complete and sign the affidavit is the pre-licensing course completion date.
- You are not required to send in certificates of completion for courses unless requested by the Department of Insurance.

IMPORTANT: For the duration of the licensing process, your name must exactly match your government-issued photo ID when registering for the PSI state exam and when applying for licensure with the California Department of Insurance. Failure to do so will result in processing delays.

State Reporting Information:

- Your course completion will be reported to the California Department of Insurance within two (2) business days.
- Your completion will be valid for three (3) years from the date of completion.
